Admissions Policy

St. Andrews International School Dusit endeavours to have as open an admissions policy as possible.

We therefore:

- Consider students who have EAL needs.
- Consider students who have learning support needs.
- In offering admission, our ethical principle is that we only do so if we feel we are able to meet and support the students' needs.
- In admitting a student, we look closely at the context of the class into which they would enter.
- If a shadow teacher is deemed necessary then that will be considered, provided the parents are prepared to support the additional expense.
- The school reserves the right to refuse admission in the case of inaccurate information being submitted.

How to Apply

Prospective students who wish to apply to St. Andrews International School Dusit will need to complete an application form and pay an Application Fee in order to be considered against the admissions criteria and be offered a place. Applications are considered in chronological order of receipt. We welcome new applications throughout the academic year.

1

The First Step

- Complete and sign application for admissions.
An online application form is available at:
<https://www.standrewsdusit.com/admissions/apply/>
- Complete and sign School and Parent/Guardian Agreement.
- An application fee of 5,000 Baht per child.
- A photocopy of parents' and child's passports and visas.
- A photocopy of child's birth certificate.
- Official transcript or school reports for two years prior to current year level (translated into English), accompanied with a point of contact at the school.
- Any educational assessments or specialist reports (where applicable).

*****Please note: applicants will be accepted by email, provided that the necessary hard copy documents are followed up by mail or in person.***

2

The Second Step

Once these documents have been submitted and the application fee has been received, the Admissions Office will review the application file. More information may be requested from you or the previous school. St. Andrews will then contact your family to schedule a trial day where the teacher will work together with your child to complete age-specific assessments in English and Maths, followed by a meeting with the Head of School, Deputy Head of School or EAL/SEN department as appropriate. You will then be notified whether your child has met the criteria for admission.

Trial day:

- Early Years students are assessed by completing informal and practical activities in the classroom during their trial session.
- Primary students undertake an informal English assessment and a non-language based mathematics assessment.
- Although admission to our school is open to students of all nationalities, as the main language of instruction is English, full participation in our curriculum requires proficiency in the English language. For students from Reception to Year 6 we offer a limited number of places on our EAL programme.
- Following the trial day, class teachers will meet with parents of students and either agree to enrol or identify additional support needed. At this stage, a language choice should be made (Mandarin, Bilingual Thai or French).

3 The Third Step

When a place is offered, the entrance fee must be paid within 7 days. If the enrolment fee is not received within these 7 days, priority will be given to other applicants. The first installment of tuitions fee is due on June 1st for August entry. For students commencing during the academic year, the tuition fee is due within 7 days after the invoice date. The medical examination form must be completed and returned prior to the student's start date.

Waiting List

If a place is not available at the time you wish to join, your child's name will be placed on a waiting list and you will be notified as soon as there is a vacancy. If there are any changes to your address, contact details or desire to enroll our school, please kindly notify the Admissions Office.

Special Needs (SEN)

The school has limited resources for students who have physical or learning difficulties and therefore admissions, in such cases, will be considered by the school on a case-by-case basis.

School Changes

The school as any other, is likely to undergo a number of changes during the time your child is here. For example, there may be changes in staff, in the premises, facilities and their use in, the curriculum, the size and composition of classes, the handbook, the disciplinary framework and the calendar for the school year. Tuition and school fees will be regularly reviewed and adjusted annually.
